

PRESS RELEASE

National Human Resource Management Committee Recognizes Dedicated Public Officers

Thursday, June 28th, 2018

1st June through 30th November of each year is considered as the hurricane season. As such, this is a gentle reminder for every public officer to have their family and hurricane preparedness plan in place in order to get through any hurricane emergency with less stress.

Every year public officers work tirelessly during hurricane emergencies. Thus, to show appreciation for their hard work, the names of those public officers who have worked in the past year for disaster duties as Shelter Manager/Warden, will be circulated bi-monthly.

We are currently recognizing those from Belize City as shown on the attached list.

Based on the foregoing, Hon. Frank Mena and Ministry of the Public Service - National Human Resource Management Committee for NEMO thank all officers for their support, dedication and commitment. We encourage all officers to continue to work together to make it through another hurricane season.

Thanks again to all of you!!

END
