

## Minister Attends Meeting In Ecuador

ADE's (Latin America Energy Organization) XLVI Meeting of Ministers of Energy was held on November 25th, 2016 in Quito, Ecuador where Energy Ministers and officials of the 27 member countries of OLADE, as well as other personalities participated. The main subject discussed at the meeting was the "Strategic Partnership for Sustainable Energy Development for Latin America and the Caribbean" to achieve sustainable energy development by 2030.

The XLVI MEETING OF MINISTERS commenced with keynote speaker which included His Excellency Mr. Jorge Glas Espinel, Vice President of Ecuador and concluded with the election of a new Executive Secretary, Dr. Numar Alfonso Blanco Bonilla of Uruguay.

### CARICOM ENERGY WEEK

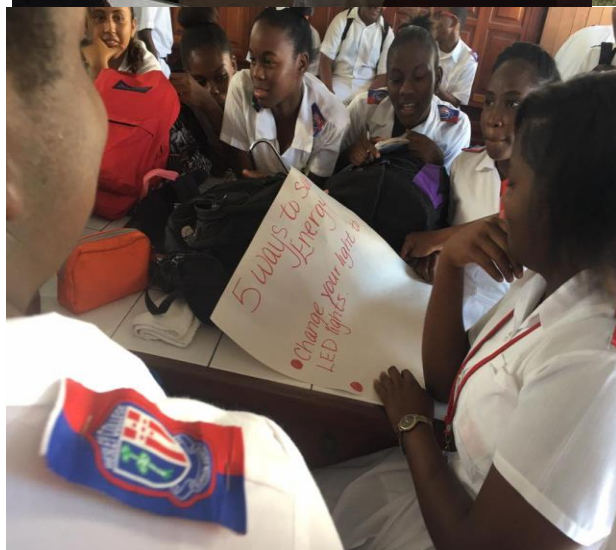

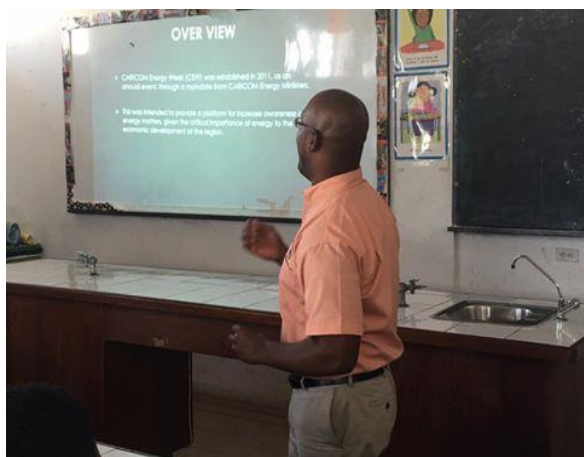

Belize Celebrated CARICOM Energy Week, November 13<sup>th</sup> – 19<sup>th</sup>, 2016, under the theme: "Sustainable Energy, For Sustainable Development." The week was declared open by Minister Mena with a video message which aired on local television. A number of school visits were carried out to sensitize students about the importance of energy conservation and its impact on the country. The week concluded with an annual Energy Fair in Dangriga at the Alejo. Beni Park.

# CSQAU Collaborates With BTB To Conduct Customer Service Training

The Customer Service Quality Assurance Unit (CSQAU) in collaboration with the Belize Tourism Board (BTB) hosted a second cohort of customer service training for public officers across the Public Service from 26 October to 18 November, 2016. This ongoing collaborative training effort is in keeping with the Ministry of the Public Service's objective to upskill some 2500 public officers in customer service by 2020, which will further facilitate the achievement of the overarching goal of improving services to customers and citizens.
