Procurement for the Supply, Installation, Commissioning and Warranty for Energy Efficient Lighting (EEL), Air Conditioning and other Energy Efficient technologies in Belize

The Ministry of Public Service, Energy and Public Utilities is looking for a contractor to supply, install and commission energy efficient lighting, air conditioning and monitoring amongst the Cleopatra White Polyclinic, Easy Inn Hotel and Brodies Supermarket-Philip Goldson Highway.

For the execution of this project, the services of a contractor will be retained for a period of two (2) months. The Bidder will work within the framework of the objectives to be achieved, the activities that are established as part of the work programme and the deliverables that must be accomplished.

The Bidder shall be responsible for all aspects of the detailed engineering investigations, design, manufacture, permitting, procurement, supply, shipping and importation, delivery, storage, labour, supervision, proper staffing, all costs related and applicable for the general conditions, erection, installation, commissioning and testing of the complete project. The Bidder shall also be responsible for the establishment of appropriate operations and maintenance procedures, quality management system documentation and warranties for the project.

A detailed Terms of Reference can be solicited from Ms. Loma Ogaldez at energy.secretary@estpu.gov.bz or call 828-5986. The Bidding process will be closed on April 27th, 2018 at 4:30 pm.
